MESSAGE FROM THE FIRST LADY OF PUERTO RICO

*On behalf of the people of Puerto Rico and, especially, of the residents of Ceiba, I wish to express my sincere thanks for the help you have given us in order to repair the homes of the victims of hurricane Hugo.*

*Our Island is recovering from the effects of the disaster, thanks to the many hands that have responded to our call for help. Friends from all over the world have given us support and consolation. This support encourages us to work together and restore our communities to their original condition.*

*We deeply appreciate your kind gesture.*

*God bless you always!*
